Vinícius  
Nobre

 NATIONAL  
GEOGRAPHIC  
LEARNING

Vinicius Nobre is a managing partner at Troika. He has been in ELT for more than 23 years and has acted as a teacher, teacher educator, course designer, international examiner and education manager in some of the most reputable language center in Brazil. He has already supervised and trained teachers and teacher trainers in several contexts, and is an experienced speaker (having participated as a guest speaker in conferences all around the country, the US, the UK, Peru, Mexico, Paraguay and Uruguay). He has also written course books for Fundamental II and Ensino Médio and a methodology book for teacher trainers with Cengage Learning (Getting into Teacher Education: a Handbook). He graduated in Letras from PUC-RJ, holds an M.A. in Professional Development for Language Education from Chichester University, is a CELTA tutor and assessor, an ICALT tutor and moderator and a DELTA tutor. Vinnie is also past president of BRAZ-TESOL and former leader of the Education and Development group in the British Chamber of Commerce.
